BENCH MOUNT LAUNCHER

Ultra Clean 1/4" Bench Mountable Launcher

Part Number:

UC-BM1.25

Description:

The [Bench Mount Launcher](#) is a production facility launcher designed to maximize productivity and reduce operator fatigue while keeping cleaning time to an absolute minimum. The pneumatic foot switch makes this launcher effortless to operate with a cycle time of just 1.2 seconds! The Bench Mount launcher is made of sleek stainless steel housing with anodized aluminum internal

components and is equipped with a 5-micron air filter, pneumatic foot switch, twin-line air hose and your choice of 8 nozzles up to 1/4". This launcher handles applications from 1/8" up to 1/4"

Features:

Easy quarter-turn locking ring for inserting nozzles; Pneumatic hands-free foot-peddle; 5-micron air filter; open chute allows for fast projectile reloading; short cycle time¹ (actual time varies based on length of application); flexible twin-line air hose; machined slits on base-plate for bolting unit to workbench or mobile [UC-BM-TABLE](#).

Specifications:

Part Number	Color Code	Weight	Weight	Shipping Dimensions	Shipping Dimensions
		Lbs.	Kg.	(L x W x H) Inches	(L x W x H) Metric
UC-BM1.25	Silver	27	9.5	19" x 18" x 8"	49cm x 46cm x 21cm

Technical Data:

Size Range Capability			Recommended Supply Line	Air Requirements	
Dash Size	Nominal Inch	DIN		PSI	BAR
-4 to-20	¼" - 1¼"	DN6 – DN32	½" Air Hose	80-110	5.5 – 7.5

Materials:

Stainless Steel Casing; Anodized Aluminum; Acetyl Plastic;

Notes:

Large industrial compressor is strongly recommended.

[UC-D1](#) Super-Dry Compressed Air Dryer (or equivalent) is strongly recommended

8 Free [Hose nozzles](#) are included with each Bench Mount Purchase²

¹ Actual cycle times vary based on length of application being cleaned.

² [JIC](#) or [Tube nozzles](#) can be substituted upon request at no additional charge.
